Reference: September Monthly Report (8/1/2000-8/31/2000)

Dear Ms. Kitchen,

In response to your letter of October 18, 2000, we have amended our report, and filed electronically on October 27, 2000 (FEC-8613). The changes made are specified and explained in greater detail below:

-The check referenced on Schedule B supporting Line 23 (Check #2618, dated 8/31/2000 for \$5,000) was a debt retirement contribution to retire debt remaining from the candidates' primary campaign. The amended report should more accurately report this information.

-Due to a software problems, the electronic copy of the filing mislabeled the in-kind contributions listed on Schedule B supporting Line 23 (on 8/9/2000) with the candidate's name, rather than the recipient's name. However, on the paper copy they were properly labeled. Therefore, we are including a paper copy of the amendment, to properly report these contributions, and will re-file it, _____ electronically, after the software problem has been corrected. These expenses _____ were all 'preimbursements' to the Human Rights Campaign, to allow HRC to pay for the travel expenses for a number of individuals who were sent as in-kind contributions to these campaigns.

-The expense reported on Schedule B supporting line 21(b) was mistakenly reported as a "Tax Charge," when in fact it was an administrative expense,
